CAFETERIAS TO BE INSTALLED BY JOINT BOARD

Cafeterias will be installed at both the Arendtsville and Biglerville elementary centers by the Upper County Joint School board, L. V. Stock, superintendent for the joint district announced today.

In preparation for the establishment of the cafeteria at Arendtsville, the entire basement of the former high school structure is being remodeled. At the same time workmen are engaged in adding an annex to the rear of the Biglerville elementary school as a kitchen while the students will utilize the auditorium as a place to eat.

At Arendtsville the shower rooms and toilet facilities are being changed in the basement to make way for the cafeteria. The former agriculture room and workshop are also being torn out so that the cafeteria unit will occupy all of the space in the basement of the school building under the auditorium.

Order New Furnishings

The contract for installing the kitchen units, tables and the like for the Arendtsville cafeteria has not as yet been let with the district awaiting several additional bids for the job.

The additions of the cafeterias at Arendtsville and Biglerville are among arrangements being made to have the district in shape to operate as a jointure this fall.

A new floor has been placed in the primary grades rooms at Arendtsville and new desks are to be put in all grades at the two schools in Arendtsville. All of the desks for grades three through six will be of the movable type while a small chair and desk will be installed for each youngster in grades one and two.

Because of a delay in delivery of the desks, Superintendent Stock said today that the youngsters may have to use old desks for the first several weeks of school until the new ones arrive.

Playground equipment has also been ordered for the Arendtsville center with swings, slides, see-saws and the like to be placed there.

Buy School Bus

In the former high school building at Arendtsville all floors have been sanded, sealed and waxed and present plans call for similar work to be done in all of the schools in the district.

The district has also purchased a 55-passenger bus—the first bus to be owned by an Adams county school district—to be used on a regular route and wherever necessary in the district.

The driver for the new bus also will be attendance officer for the joint district. The bus will be assigned the Guernsey-Bridge area in Butler township as a regular route and then will be employed where needed otherwise.

If present plans work out, no child in the district will have to ride for more than 30 minutes in a bus, Stock added. A number of bus contracts have already been let by the district. Among those who are to provide bus transportation are Blaine Hartman, Clark Hartman and Glenn Hartman who will have bus routes through Menallen township; James H. Heller and Donald Petters, also through Menallen; Lloyd Hoffman, Tyrone; Roy Martin, four buses in Tyrone; Martin Walter for two buses in Butler; William Funt, Butler. Several smaller contracts remain to be let.

GEORGE PLANK DIES TUESDAY

George W. Plank, 70, retired Gettysburg National Park employee, died Tuesday night in Cumberland township from a complication of diseases. Mr. Plank had been employed for about 30 years as a laborer on the Gettysburg battlefield.

A native of Adams county, the deceased was a son of the late G. Daniel and Charlotte (Himmen) Plank. He was a member of St. James Lutheran church.

Surviving are a sister, Mrs. Annie Bushman, Arendtsville, and two brothers, John, of Walton, Ind., and J. Elmer, of Hagerstown.

Services from the Bender funeral home Friday morning at 10 o'clock with the Rev. A. S. Longenecker officiating. Interment in Evergreen cemetery. Friends may call at the funeral home Thursday after 7 p. m.

State's Marriage Law Is Liberalized

A new marriage law is now in effect in Pennsylvania, Mrs. Emma Sheffer, Adams county clerk of the courts, said she had been informed, which allows persons to obtain marriage licenses and be married in any court in the state.

Mrs. Sheffer said that the old law required that in the case of out-of-state residents who applied for marriage licenses, they be married in the county where the license was obtained.

C. Arthur Brame Is Given Merit Award

Capt. Charles Arthur Brame, commandant of the former State Guard unit here, has received a commendation from the Fourth Infantry regiment of the Pennsylvania State Guard.

The citation, known as "Fourth Regimental Merit Award" was presented to Captain Brame by Col. Clifford H. Bortz, commanding officer of the Fourth Infantry regiment to which the local Troop C, Mechanized Cavalry, was attached.

The certificate states that Captain Brame was given the merit award for "The excellent and untiring manner in which he carried out the duties of commanding officer of his unit. His loyalty was always above reproach and he was an inspiration to all that served under him."

2 SCHOOLS IN UNION TWP. TO BE ABANDONED

The Union township school board, at a meeting Tuesday night at the Center school, voted to close two of the township's one-room schools and send their seventh and eighth grade pupils to Littlestown this fall. One of the schools to be closed is Pelly's. Final decision has not been reached on the other school.

Sending of the seventh and eighth grade pupils to Littlestown, where plans have been made for their absorption, will leave only the first six grades to be taught in the four remaining one-room schools in the township.

The action, according to school officials, was brought about by the new school law, which requires that every one-room school must have at least 30 pupils.

No Grading This Year

There will be no grading in the township this year, it was decided. Each of the remaining schools will have all six grades.

The seventh and eighth grade pupils going to Littlestown number between 43 and 45. The board signed contracts for transportation Tuesday night, which will mark the first step in the transportation of high school pupils in the town.

Previously, all the first eight grades have been taught in the one-room schools. High school pupils obtained their own transportation, approximately 20 going to Littlestown, four to Hanover and four to Union Mills.

Sign Bus Contracts

A contract was signed with Gene L. Griest, New Oxford R. 1, to transport the seventh and eighth grade pupils and high school students in the lower, or southern half of the township, to Littlestown. Another contract was signed with Richard W. Sanders, Gettysburg R. 5, to transport the seventh and eighth grade pupils from Pelly's school and the high school pupils in this area to Littlestown also.

Mr. Sanders also has a bus route in Mt. Pleasant township from Bonneauville to White Hall and Littlestown.

Abandon One Bus

The new bus contracts will eliminate the services of a small bus used during the past ten years, operated by Horace L. Schue, Littlestown R. 1. Only a few elementary pupils were transported by this bus in previous years.

The Littlestown school board made preparations for receiving the seventh and eighth graders from Union township, by electing two new teachers at a meeting Tuesday night. One election was to fill a vacancy.

Teachers elected were Richard McLaughlin, Gettysburg, who taught at Fairfield last year, and Maurice Bream, Hunterstown, who last year taught at Biglerville.

'Hottest Day' Record Set At 92 Degrees

Gettysburg and Adams county residents sweated today in what was recorded unofficially as the hottest day this summer, with the mercury reaching 92 degrees at the Arendtsville fruit laboratory, and "still going up."

The humidity was reported by the laboratory as 74 per cent today. The temperature was one degree higher than the maximum recorded Tuesday. During the early morning, the thermometer dropped to 67 degrees. No relief was in sight.

Judge Sheely Rules Against Referendum

Judge W. C. Sheely has ruled off the ballot at the September 9 primary a beer referendum at now dry Newville, an Associated Press dispatch from Carlisle said today.

Judge Sheely said yesterday after a hearing he would issue an order to the Cumberland county commissioners restraining them from placing the question on the ballot.

The court sustained a contention of dry forces that petitions for the referendum were defective because they were unaccompanied by affidavits verifying the signatures.

MOTHERS' CLUB FOR CATHOLIC SCHOOL MEETS

Plans to place germicidal lights in the first and second grade rooms of St. Francis Xavier school were outlined Tuesday evening at a meeting of the Mothers' club of the school held in the school social rooms.

Plans were laid for a party to be held August 28 to raise funds for purchase of the lights. Included among the members named to the party committee were Mrs. Paul Littleton, chairman; Mrs. Joseph Smith, co-chairman; Mrs. Robert Kenworthy, Mrs. William Jacobs, Mrs. Jacob Small, Mrs. George Groft, Mrs. J. Walter Coleman, Mrs. Robert Derck, Mrs. Paul B. Ramer, Mrs. Joseph P. Bushey, Mrs. Leo McDermitt, Mrs. John Codori, and Mrs. Richard Codori, with other committee members to be named in the near future.

September 24 was set as the date for the annual "Mercy Day" held by the Mothers' club to honor the Sisters of Mercy who teach at the school. Mrs. Littleton and Mrs. Kenworthy were named co-chairmen for the reception.

Back Mrs. Poppay

Dr. Joseph H. Riley, Harold Culp and Mrs. Joseph Smith were named as a committee to secure bids for the germicidal lights and to report back at the next meeting of the organization, which will be held on call of the president, Mrs. J. J. Munley, probably by September 4.

Mrs. William Sundermyer was named chairman of a committee to provide breakfasts for the youngsters each first Friday morning after mass. Others named immediately to the committee include Mrs. Derck, Mrs. Bushey and Mrs. Charles Jacobs. Others are to be added to that committee in the near future.

The possibility of installing new drinking fountains at the school was discussed, but no action taken. The club voted to support the woman candidate for school board in Gettysburg and appointed a committee headed by Mrs. Derck to aid in her campaign.

Paul B. Myers To Leave Hospital Soon

Paul B. Myers, 15-year-old son of Mr. and Mrs. Paul C. Myers, 441 West Middle street, is learning to walk again at a Pittsburgh hospital after having been bedfast for the last two weeks from a knee injury suffered in a ball game.

The local youngster who is a member of Troop 79 Boy Scouts and who has played in the Blue and Gray band for the last year, twisted the cartilage of his right knee while playing ball and was operated upon for the injury at the hospital. He was out of bed for the first time today.

After his discharge from the hospital in three or four days he plans to remain at the home of an uncle and aunt, Mr. and Mrs. C. R. Black, Pittsburgh, for several weeks, until the cast can be removed from his leg, before returning home. He and his mother were visiting Mr. and Mrs. Black at the time of the accident. He plans to enter high school here this fall. His father is a dispatcher for the Greyhound company here.

Code Violators Pay Fines, Costs

Mrs. Iva Fishel, York, paid a fine of \$2 and costs to Justice of the Peace Earl Fahs, York, on a charge of not having an inspection sticker on her car, state police of the Gettysburg sub-station, who filed the charge, reported today.

The Truxton Manufacturing company, Kempton, Pa., paid a fine of \$25 and costs to Justice of the Peace Brandenburg, Mechanicsburg, on a charge of misuse of license plates, also filed by the local state police.

Kenneth H. Boyer, New Tripoli, Pa., charged by police of the local sub-station with not having his car inspected, has paid a fine of \$10 and costs to Squire Brandenburg.

Last Man's Club To Dine Thursday

The Last Man's club of the Sergeant Steffy Camp No. 126, United Spanish War Veterans, will hold its annual banquet Thursday night at 7:30 o'clock at the Shetter house, John Zimmermann, secretary, announced today.

The club numbers about 12 members. William Bechtel, Hanover, is president. Nomination and election of officers for the ensuing year is scheduled to take place.

BRIDGE WINNERS

New York, Aug. 13 (AP)—Because their opponents bid a grand slam without having the ace of trumps, a team captained by Charles H. Goren of Philadelphia early today won the final event of the 21st annual summer tournament of the American Contract Bridge league, the world master team-of-four championship.

SERVICE VETS PLAN SOFTBALL GAME THURSDAY

The second annual combat action between the Army and the Navy—Gettysburg softball variety—will be one of the headline attractions for the all-veteran celebration Thursday of V-J Day.

Chairman Lawrence M. Sheeds of the Albert J. Lentz American Legion post which is sponsoring the V-J Day affair today urged all county veterans to turn out for the events Thursday that will include sports activities. Starting at 2 o'clock in the afternoon at the Gettysburg high school, the events will conclude sometime early on the morning of the next day when the dance to be held at the Hotel Gettysburg annex comes to an end.

With most stores in the community closed according to regular custom on Thursday afternoon and with a number of other concerns expected to let their veteran employees off for the afternoon, the Lentz post hopes to have large crowds present for all affairs.

Navy Vets' Lineup

The "Navy" today announced its lineup for the "battle of the services" Thursday afternoon. William E. "Johnny" Knox, manager of the Navy contingent, said today that his line-up, to which two or three may be added, includes "Tub" Small, "Bud" Knox, Ross Sachs, "Benny" Little, "Dick" Knox, "Bernie" Frazier, "Nick" Jones, George Fair, George Houck, "Dick" Thompson, "Bill" Ogden and the manager himself.

FIREMEN TO MEET

The Gettysburg fire company will hold its August meeting this evening at 7 o'clock at the Firemen's Retreat in South Mountains.

Troop A, 104th Cavalry, Pennsylvania National Guard

This is the eighth of a series of brief biographical sketches of the officers and enlisted personnel of Gettysburg's Troop A, 104th Cavalry, Pennsylvania National Guard. This feature is presented as a tribute to the men who have voluntarily offered their services, in peacetime, to their country through the Pennsylvania National Guard.

Sergeant Gossert expects soon to abandon the National Guard for another hitch in the Army, this time again at Hawaii where his wife's family resides.

An employee of the Landis Tool company in Waynesboro, Rankin enlisted in October 8, 1942 and was sent to Fort Meade. Twelve days later he was in Oakland ready to sail for Hawaii. He arrived there October 28, 1942 and was attached to the 40th Division, 108th Infantry. He went with the 40th to Mavi for training, later went with the 102nd Infantry, company C to Christmas Island and then back to Wahu for Ranger training.

He took part with the 77th Division of the Tenth Army on detached service in the Easter Sunday invasion of Okinawa. On Okinawa he suffered a fracture of the nose when his jeep overturned. He served as a squad leader while a sergeant.

After leaving Okinawa he was ordered to Korea and the ship in which he was traveling was caught in the tail end of the hurricane which lashed the Pacific off Japan shortly after the surrender. During the storm the mast of the ship on which he was sailing was snapped off by the fury of the storm. He served in Korea from September to

SGT. RANKIN GOSSERT

November and found the Russians, whom he met while stationed in Manchuria "friendly but filthy." He was discharged November 28, 1945.

He and his wife, the former Louise W. Joao of Molokai, Hawaii, were married in Hawaii while she was a member of a USO show. Six months after Rankin arrived in the U. S. his wife was sent here. He has been caretaker at Camp Sharpe on the Battlefield here for some time.

He holds the combat infantry badge, two gold stars, good conduct, Asiatic-Pacific theater, Victory medal and sharpshooting rating. His wife plans to return to Hawaii with their two children in about two months and he plans to enlist for re-training to Hawaii about the same time.

NEW ASSISTANT PRIEST COMING HERE AUG. 19TH

Rev. Fr. Louis W. Forgeng, assistant pastor of St. Joseph's church, Lancaster, has been assigned to be assistant pastor of St. Francis Xavier's Catholic church here, effective August 19, Bishop George L. Leach, of the Harrisburg diocese, announced today.

At the same time it was announced that Rev. Fr. Joseph G. Gotwaik, pastor of St. Ignatius' church, Buchanan Valley, has been appointed pastor of St. Vincent's church, Hanover, to succeed the late Father McElwee, who died and was buried a week ago.

Other changes in the diocese include:

Here And There

News Collected At Random

We acknowledge with thanks the following communication from Dr. Robert A. Bream, assistant county superintendent of schools:

"For a long time I have been wanting to congratulate you on the manner in which The Gettysburg Times has handled the school news. The issue of Friday, August 8, is an outstanding example of what has been done consistently by your paper in reporting educational matters. The various items regarding Cumberland township, Germany township, and Mt. Joy township were accurate, complete and clear.

"I believe the people are vitally interested in their schools and you are helping them to get a clear picture of the developments that are taking place at this time. This is an unusually critical period because changes in legislation have resulted in throwing the old plans out of balance. Patrons and tax payers should know what is involved in the new plans that are being developed. Your staff is doing an excellent job of organizing and presenting the facts to the people."

A number of Gettysburgians picked out a Gettysburg connection in one of the items in Louella Parsons' Hollywood gossip column of Tuesday. Miss Parsons wrote:

"In John Hoyt, Dorothy McGuire gets the next best person to Noel Coward for 'Tonight at 8:30.' Hoyt, you see, toured this same play all over the country with a terrific reputation, but so far he only has one picture, 'Brute Force'."

"Now, I'm told he may go into 'Christopher Blake.' Certainly he shouldn't let Hoyt go begging. He's too good an actor."

Hoyt's real name is John Hoysradt. He is a son of Mrs. Warren Hoysradt, the former Miss Ethel Wolf, of Gettysburg. Her father, the late Dr. Edmund Jacob Wolf, taught New Testament and Church History at the local seminary. Hoyt's aunt, Mrs. Huber G. Buehler (his mother's sister), was the wife of a prominent scholar and author. He wrote extensively on the English language and a text book on English. He also taught at the Hotchkiss Preparatory school for boys, Lakeville, Conn.

Hoyt's grandfather was long prominent and active in the Lutheran church. He held many offices in the church, was a corporal in Company A, 26th Regiment, Pennsylvania Militia, during the Civil war. He was associate editor of the Lutheran Quarterly, wrote a number of books, and contributed articles to numerous reviews and church papers. He died in 1905.

Hoyt's uncle, Robbin Wolf, is a prominent Pittsburgh attorney and a graduate of Gettysburg college.

DIVORCE ACTION

Among the new divorce cases filed at York is the following: Margaret H. Denton, 15 Center square, Hanover, against William U. Denton, last known address Silver Moon cottage, Dicks' dam, Reading township, Adams county.

Miss Geiselman Is WU Manager Here

Miss Esther M. Geiselman, daughter of Mr. and Mrs. Ralph C. Geiselman, North Franklin street, will take over as manager of the local Western Union office following a two weeks' vacation, it was learned today.

The new manager, who succeeds Charles Keller, who will be a relief manager until later assignment to Chambersburg, was present Tuesday night when workmen at the local telegraph office completed the cut over to a new system of transmitting messages by which telegrams sent from here will go directly to the station for which they are intended without having to be sent again in such centers as Philadelphia.

Miss Geiselman, who has been acting manager for the local office on a number of occasions, started at the local office December 1, 1942. She recently completed a class for instruction of managers at the Western Union school at Washington, Warren county, N. J. Her class was the anniversary class for the school, marking the fifth year since it has opened.

She is the second member of her family to become a Western Union manager here, with her father operating the local telegraph office from 1920 to 1926.

Littlestown BROWNIES ARE ENTERTAINED BY LEADERS

The members of Brownie Girl Scout Troop No. 16 were entertained by their leaders at the home of Mrs. Lloyd E. Crouse Tuesday afternoon. A picnic lunch was held on the lawn, and games were enjoyed. Mrs. Leonard Kerchner is leader of the troop. The following assistants helped with the entertainment: Mrs. Lloyd Crouse, Mrs. Ralph Reaver, Mrs. Richard Long, and Mrs. A. C. Richards.

The following scouts were present: Patricia Spangler, Anna Mae Sell, Barbara Renner, Joanne Pringle, Barbara Helwig, Dawn Pettyjohn, Darla Lemmon, Patricia Long, Suzie Long, Susan Baumgardner, Bette Reaver, Loretta Wareheim, Barbara King, Demetria Trandes, Carolyn Groft, Nadine Crouse, Shirley Crouse, Lorraine Snyder, Fay Plesel, Virginia Koonitz, Betsy Thomas, Lois Sparver, and Elizabeth Ann Crouse. Four members of the troop were unable to be present.

The girls will meet Thursday at 3 o'clock to hike to the grove adjoining St. John's Lutheran church. A study of the birds in the grove will be made. Each Scout will take her own lunch.

Brief Rotary Meeting

Routine business was transacted at the weekly meeting of the Rotary club Tuesday evening. The meeting was cut short because of the excessive heat. A short discussion of community problems was in charge of the Community Service committee, composed of Richard A. Little, Dr. Donald B. Coover, William V. Sneeringer, Howard G. Blocher, Dr. Joseph R. Riden, Walter F. Crouse, and Preston Myers. Next Tuesday's meeting will be in charge of the Vocational Service committee, consisting of Robert J. Kenworthy, Stanley B. Stover, Nevaeh Crouse, Charles M. Weikert, and Arthur E. Bair.

A discussion on employer-employee relationship is scheduled. Mass in St. Aloysius' Catholic church will be celebrated by the pastor, Rev. John H. Weber, on Friday morning at 8 a. m. and 7:30 a. m. Friday is the Feast of the Assumption. (Please turn to Page 2)

Woman Does Own Housework At 87

That 87th birthday Mrs. Margaret B. W. Taughinbaugh, of Huntersburg, will celebrate Thursday has not interfered in the slightest with her manner of living.

Not only does she do her own housework, but she also works a little in her garden. Among her household duties is to draw fresh water from the well on her property three times a day and carry it to the house.

She has lived alone the last eleven years and spends her spare time reading and writing letters to friends. She plans to spend her birthday visiting Gettysburg.

Three Masses Here On Friday Morning

Friday is a holiday of obligation in the Catholic church. Masses in the local church will be at 5:30, 7:30 and 9 o'clock Friday morning. Communion will be served at all masses.

Because the holiday falls on Friday Catholics will be allowed to eat meat on that day but must observe a day of fast and abstinence on Thursday, the day preceding the feast day.

The school system is also seeking a girls' physical education teacher and a properly certified instructor for the "opportunity school" the district plans to open as soon as it can secure the proper teacher.

BAND CONCERT ON THURSDAY

The Gettysburg Blue and Gray band will continue its summer concert series Thursday evening when it appears for a scheduled concert on the lawn of Meade school. The band, H. C. Stenger, Hanover, directing, will receive the downbeat at 8 o'clock.

Last week the local musicians presented a concert at Lincoln school building in the east end of town. Following a plan, and if weather remains favorable, the band intends to give at least two more evening concerts before autumn. The south end of the borough, probably the high school lawn, is the next scheduled concert location and the north end of Gettysburg at a site yet to be determined, will be the last appearance for the summer.

Clyde Spangler, president of the band, requested that bandmen be at Meade school Thursday evening at 7:45 in full uniform, although coats probably will be shed while the concert progresses.

The band, he announced today, has two more county appearances in the near future. The first is an engagement for the Littlestown fire company on August 30, and the second for the Gettysburg fire company when it appears in the Labor Day parade of the Adams County Firemen's convention at Littlestown. Details of these two engagements will be outlined to the band members before those engagement dates.

In case of inclement weather Thursday evening, the regular rehearsal will be held at the engine house.

Wm. W. Shields Sells Majestic Soda Grill

William Waldo Shields, Harrisburg road, proprietor of the Majestic Soda Grill on Carlisle street for the last three years, said today he has sold the establishment's stock and fixtures to George Lempesis, 161 North Washington street. The new owner will take possession Thursday morning.

Mr. Lempesis, a former member of the Merchant Marine, ended his duties as cook at the DeLuxe restaurant here today.

Mr. Shields has not decided on his future plans.

EGYPT'S DEMAND PUTS UN COUNCIL IN BAD POSITION

By DEWITT MACKENZIE (AP Foreign Affairs Analyst)

Egypt's demand that the U.N. Security Council order the British to withdraw their troops from the land of the Pharaohs and clear out of the Anglo-Egyptian Sudan, places the Council in a most uncomfortable position and increases an already tense situation between the two countries.

Indeed, to quote Egyptian Prime Minister Nokrashy Pasha, things might easily get out of hand in his country unless the Council puts an end to England's occupation of the valley of the Nile. He says the intentions of his government are peaceful, but popular resentment cannot be stilled. Moreover, he maintains that the continuance of the dispute is likely to endanger the maintenance of peace and security throughout the Middle East. The British answer to this is that the Egyptians have no case, and that the present set-up is provided for in the 20-year treaty signed in 1936.

Old-Time Bitterness

The Prime Minister's language before the Security Council was pretty strong, and possibly somewhat rhetorical, but there can be no question about Egyptian resentment against the exercise of British influence in Egypt and the Sudan. This feeling has produced bloodshed in the past, as Nokrashy Pasha points out, and what has happened once can happen again. In any event, a quarrel whose focal point is a Moslem nation which is surrounded by sympathetic countries of the same faith, isn't conducive to good health.

The bitterness of the Egyptians against the British runs back for many decades of English domination. The hostility was particularly strong at the time of the first World War when the British established a protectorate over Egypt and appointed Prince Hussein Kamil as Sultan. The Prince was an angry and unwilling figure-head but accepted because he hoped he might do something for his people.

The Egyptian court was so anti-British that no official would speak any English, although many knew the language. French was the official language apart from Egyptian. The aristocracy of the country was educated in France rather than England.

This anti-British feeling has persisted to greater or less degree. Just now it is greater, as Cairo presses its claims to the whole Nile valley, including the Sudan.

Shamokin Drops Plan For Coal School Tax

Shamokin, Pa., Aug. 13 (AP)—Solicitor John L. Pipa, Jr., announced Tuesday the Coal Township school board, Northumberland county, has abandoned its proposal to levy a 10-cents per ton tax on anthracite.

"We decided to drop this tax because of two good reasons," Pipa said, citing them as:

1. An additional tax on coal would price local tonnage out of a competitive market.
2. Entail the district a heavy financial loss through the establishment of cumbersome tax collection machinery in the face of court litigation.

Flock Of Geese Stops Skymaster

Philadelphia, Aug. 13 (AP)—A National Airlines Skymaster with 25 passengers and crew members aboard made an emergency landing at Southwest Airport early Tuesday after running into a flock of geese on takeoff.

Airport officials said the DC-4, piloted by Capt. Herschel Clark, encountered the geese a few seconds after leaving the field on a scheduled flight to Newark, N. J.

Clark reported at least five geese struck the big plane, one making a hole "large enough to stick your head in" in the leading edge of the wing and another striking the giant rudder.

The 22 passengers, unaware of what had happened until they landed, were placed on later flights.

Scranton, Pa., Aug. 13 (AP)—The wreckage of an airplane was discovered today in the woods near Thornhurst, Pocono mountains, Pennsylvania state police reported. The plane was sighted after state police had been asked by Camden, N. J., police to search for a plane of Dr. Irving Uram, Philadelphia, missing on a flight to Buffalo.

Berlin, Aug. 13 (AP)—The U. S. provost marshal's office reported today that three American soldiers were assaulted here last night by Germans in two incidents which apparently reflected growing German unrest.

Vienna, Aug. 13 (AP)—British authorities announced today that a British military train was derailed by mines last night and that early today a bomb exploded outside the camp commandant's office at Velden, Carinthia. One soldier was slightly injured and several others shaken up in the train blast, which derailed five cars on the edge of a steep cliff.

19 PENNSY CARS IN DERAILMENT

Elizabeth, N. J., Aug. 13 (AP)—Thousands of New York-bound commuters were delayed today when 19 cars of a 52-car, eastbound Pennsylvania railroad freight train were derailed, sprawling coal and box cars across the four-track main line here. No one was hurt.

Auxiliary buses provided by the railroad expedited traffic and the railroad said two tracks were expected to be cleared by late today.

Service from New York to Philadelphia and Washington and to south and west points was being operated over tracks of the Lehigh Valley and Reading railroads to West Philadelphia.

Splintered box cars and piles of coal in twisted wreckage was strewn for 800 feet at the South Elizabeth station. One of the freight cars landed on the station platform.

Railroad spokesmen said the wreck occurred when the 13th car of the Harrisburg, Pa.-to-Jersey City freight train was derailed, and 18 cars behind jumped the tracks.

Although service was expected to be restored on two of the main line tracks by late today, railroad spokesmen said there would be a "longer delay" in clearing the other two tracks.

Mrs. Ernest Gramley and daughter Ann, of Milton, recently visited friends here.

The newly organized Brownie Scout troops of Arendtsville will be invested at a ceremony in charge of their leader Mrs. David Houck, assisted by Mrs. Blaine Bushey, Jr., Friday evening at 7 o'clock in the parish house of the Evangelical and Reformed church. The mothers of the Brownies have been invited to be present for the ceremony and for the social period which will follow.

Today the Community picnic was held in the Union Park.

Invitations have been received here for the marriage of Miss Mildred Sholl, of Lahaska, and John McAllister, Menges Mills, in the Evangelical and Reformed church of Doylestown on Saturday, August 23rd at four o'clock. Mr. McAllister was agriculture teacher in the local high school last year.

Mr. and Mrs. John A. Raffensperger were recent guests of Harrisburg relatives.

WATER PIPE IS NEEDED IN WEST

Washington, Aug. 13 (AP)—An official of the Senate Steel committee today promised action soon to relieve a water pipe shortage which farmers complain has cut down food production in western states.

George F. Meredith, executive director of the committee staff, told a reporter he expects the War Assets administration to set aside some 250,000 feet of piping for the shortage areas "within a week."

Meredith said he has discussed the problem with the Agricultural department and WAA and the plan is this: Secretary of Agriculture Anderson will be asked to declare that there is an "impairment of food production because of a shortage of farm equipment." In case of such a finding, Meredith said, War Assets Administrator Robert M. Littlejohn has the power to channel WAA's stock of pipe into the seven states where it is most needed — Minnesota, Wisconsin, Nebraska, North and South Dakota, Montana and Wyoming.

Some livestock herds and poultry flocks in the area have already been reduced by amounts ranging from 10 to 50 per cent because farmers are unable to obtain sufficient water, Meredith said.

Philly Is After Democrats Again

Philadelphia, Aug. 13 (AP)—Philadelphia, which already has secured the national Republican convention, is making a new bid to gain the national Democratic convention, Democratic leaders have announced.

Philadelphia Democratic leaders and members of the special city convention and visitors bureau said yesterday that Senator Francis J. Myers (D-Pa.) will inform national Democratic authorities in Washington that \$200,000 guarantee plus \$50,000 for entertainment will be pledged under plans similar to those which secured the Republican convention for Philadelphia.

Couple Burned As Fire Sweeps Home

Lansford, Pa., Aug. 13 (AP)—Russell Watkins, 58, and his 54-year-old wife burned to death early today as fire swept the interior of their home.

Mrs. Watkins' clothing was in flames when Policeman Toby Krajcirik found her just inside the front door and dragged her from the burning building.

Fireman Leighton Henninger, crawling on his hands and knees, found Watkins in the kitchen and brought him out of the place. Both died later at a hospital.

Abbottstown Fair Opens On Tuesday

The Abbottstown Fair opened Tuesday at the Farmers' Grove, midway between Abbottstown and East Berlin, and is to continue through Saturday. Special features are planned for each evening.

The fair is similar to the annual Farmers' Fair which was held on the same grounds for many years. The name of the event was changed with the change in ownership of the grounds during the past year. In the past it was conducted by the United Farmers' Association.

A carnival has been set up on the grounds and there are shows, rides and many amusements. Numerous business houses have arranged commercial exhibits. Free attractions are on the program each night.

Playoffs for the championship of the Gettysburg community softball league will begin next Monday with Highway meeting the third place team, loop officials announced today.

With the third and fourth place teams to be named with the games tonight and Thursday—if all goes well in regards to weather conditions—the circuit hopes to have its 1947 season out of the way within another two weeks.

According to arrangements made so far the first and third place teams will meet in a three game series starting Monday night. The second and fourth place clubs will meet in a similar series starting Tuesday night. The winners of those two semi-final playoffs will meet in a three game series for the title the following week.

The league plans to play four nights a week, with all games at the high school field at 6:30 o'clock. If the semi-finals are completed next week, which is a possibility, the final playoffs will begin on Monday the following week.

Tuesday's Games
Tuesday night's games put Acme in a good spot to be adjudged third place holder and Texas Lunch a little closer to fourth place than third.

Acme defeated the Legion 10 to 1 in their contest at the high school grounds with the victors pounding out 15 hits off Wickerham while Legion secured nine hits. Acme held an eight run lead before Legion got across its first run in the sixth inning.

The Highway contingent, playing a tight ball game, got back into the win column by securing a 3 to 0 victory over Texas Lunch while Evans store defeated the Knox store outfit 3 to 2. The Moore almost lost to the Elks, emerging a 11 to 10 victor after a game in which the Elks came from behind to put on a rally that almost succeeded in turning the tide.

League Leaders Win Double Bills

(By The Associated Press)

Pace setting Trenton and runner-up Allentown took both ends of their interstate league doubleheaders last night while third place Wilmington was losing two to Hagerstown.

Trenton took an 11-inning opener from York 1 to 0 and then edged out the roses 3 to 2 in the nightcap. Allentown took both contests from Hagerstown, 5 to 4 and 7 to 2, in their fight to regain the league lead.

Wilmington was swamped in the opener against Hagerstown 16 to 5 and was shut out in the nightcap, 5 to 0, dropping two full games farther behind Allentown in the league standings. In another twin bill Lancaster and Sunbury divided, Lancaster taking the first game 9 to 5 and Sunbury the second 4 to 3.

Today's games: Allentown at Hagerstown; Lancaster at Sunbury (two games); Trenton at York; Wilmington at Hagerstown.

Erie Sailors Snap Vandergrift Streak

(By The Associated Press)

It took 10 innings to do it but the Erie Sailors snapped the Vandergrift Pioneers' record 13-game Middle Atlantic winning streak with a 6-5 defeat last night.

Vandergrift had rallied after 5-3 in the eighth to tie the count 5-5 in the ninth. But Erie's Chuck Pepla hammered out a 10th inning single which brought in the winning run.

In other games, Johnstown walloped Youngstown in a free-hitting game, 13-6, Oil City downed Uniontown, 8-5, and Niagara Falls won from Butler, 11-7.

Joe Teasoro of the Butler Yanks hit the first pitched ball for a homer but his team got snowed under thereafter. Steve Solis of Oil City got a triple, double and single in his day's work and Hudask, Union-

DODGERS, CARDS SERIES CRUCIAL IN LEAGUE RACE

(By JOE REICHLER
(AP Sports Writer))

It begins to appear more and more every day that the National league pennant race will be settled in the seven games which the Brooklyn Dodgers and St. Louis Cards still have to play with each other.

Each club frittered away an opportunity to gain on the other as both the Dodgers and Cardinals were beaten yesterday. The Redbirds were the first to bow, losing an afternoon game to the Chicago Cubs in St. Louis, 2-1. The Brooks, with a chance to boost their three-game first place margin, fell before the Boston Braves in a night game at Ebbets field 9-2.

The schedule is very much in favor of the Cards. Although the Dodgers have two games less to play than St. Louis, 44 in all, half of them are against first division outfits—seven with St. Louis, nine with New York, and six with Boston.

Of the Cards' 46 remaining games, 17 are with the rest of the first division—seven with Brooklyn, five with New York and five with Boston. They have 19 home games left while the Dodgers have 21. However, in interseason warfare, they finish at home while the Brooks are on the road.

Cards Are Hot
The Cards definitely are the hotter club at the moment, having won 11 of their last 13 games while the Dodgers have won only three of their last 11.

The Giants and Braves, of course, aren't out of the fight by any means, but Mel Ott's and Billy Southworth's nines cannot establish anything like consistency with their meager pitching staffs. The Giants, in third place, are six lengths off the pace, one half game ahead of the Braves.

Knuckeball Artist Dutch Leonard won his 13th game against seven defeats when he pitched the lowly Philadelphia Phils to a 5-0 shutout victory over the New York Giants in Philadelphia. It was the first Philly win over the Giants in their last eight starts.

Blackwell Loses Again
Ewell Blackwell failed in his fourth straight attempt to gain his 19th victory as the Pittsburgh Pirates topped the Reds 3-2 in Cincinnati. The Redlegs right-handed ace had a 2-1 lead with two out in the ninth but the Pirates tied the count and won in 12 innings when with one out Frank Gustine and Jim Russell hit safely before Ralph Kiner sent a payoff single to left scoring Russell.

The Boston Red Sox reduced the American league leading Yankees' margin to 11 games when they came from behind with two runs in the last half of the ninth to nip the Washington Senators 2-1.

Allen Gettel, 29-year-old right-hander, pitched a one-hitter as the Cleveland Indians swept a doubleheader from the third-place Detroit Tigers in a twilight-night affair 3-1 and 11-0 in Cleveland, the lone hit being made by Eddie Mayo in the first inning of the second game.

Glen Moulder, who previously had won two games in 24 relief assignments, won his first major league game as a starter when the St. Louis Browns defeated the White Sox in a night game in Chicago 5-3. The Yankees and Philadelphia Athletics were not scheduled.

Resume Ryder Cup Matches Nov. 1, 2

(By The Associated Press)

New York, Aug. 13 (AP)—The Professional Golfers Association of the United States and Great Britain have agreed on the dates of November 1-2 for the postwar resumption of the Ryder cup matches and the American pros have chosen the Portland, Ore., golf club as the site.

After the British had announced yesterday in London that the dates were acceptable, Ed Dudley, president of the U. S. PGA, said his organization had selected the Portland layout, scene of the 1946 PGA championship.

Adams County League Games

Bendersville and Littlestown failed a third time to complete the deciding game of the first half of the Adams County Baseball League season, when a 2-2 game was called on account of darkness Tuesday evening on the Littlestown grounds at the end of the seventh inning.

Originally rained out, the teams have twice played a tie game since then. A fourth attempt will be made to play off the game on the Littlestown diamond Thursday evening.

If the Bendersville players win, they will have undisputed occupancy of first place in the first half. Should they lose, there will be a four-way tie for first place.

Littlestown missed a chance to win Tuesday in the final frame, when the bases were loaded. The necessary hit failed to materialize, however.

MORE THAN HOTFOOT

San Pedro, Calif., Aug. 13 (AP)—Somebody, police told Claude Pegge, 23, was trying to give him something more than a hotfoot. Pegge was driving to work Monday when he heard a rattle in the rear of his car. He stopped and found two 20-millimeter anti-aircraft shells wired to his exhaust.

A few more miles of driving and the heated exhaust would have exploded the shells, police told Pegge.

STEELERS RATE AS DARK HORSE IN 1947 RACE

(By DUKE MORAN)

Cambridge Springs, Pa., Aug. 13 (AP)—The Pittsburgh Steelers rate only a dark horse's chance in the 1947 National football league future book unless their boss performs a miracle—and that astute fellow is a football master, not a magician.

Dr. John Bain (Jock) Sutherland, coaching the Steelers for the second year, was stripped of virtually the entire 1946 offensive in the deal which sent Bullet Bill Dudley to the Detroit Lions.

He is also short at guard and tackle where much of the steam is generated for his famed system. He's amply supplied in only one position—at center where the old pro, 31-year-old Charles Cherundolo, has four younger huskies bidding for his job.

TWENTY-FIVE YEARS AGO
Open Camp on Potomac: The advance contingent of members of the Majestic club, who are encamped along the Potomac river, three and a half miles above Williamsport, Md., left Gettysburg Friday morning to establish the camp. Others left on Saturday. The following comprise the roster: Percy Miller, Lester Stouffer, Arthur Buehler, Clyde Bream, Donald Hammers, Curtis Klinefelter, N. C. Miller, Murray Miller, Fred Pfeffer, Earl Stallsmith, Ralph Stoner, Monroe Weiser and William Troxell. Dangerfield Mitchell accompanied the party as cook.

Give Large Sum to Japan School: Members of the Lutheran Summer Assembly in session at the Seminary again demonstrated in a substantial way their interest in foreign missionary work when they contributed \$1,100 for the Lutheran Theological Seminary in Japan Sunday night. Rev. J. K. Liphard, returned missionary from Japan, was the principal speaker of the evening meeting. Approximately \$2,000 has been subscribed by members of the assembly for the use of workers in foreign missionary fields since the sessions began.

Officers for the ensuing year were elected at the Monday afternoon business session. Rev. S. Winfield Herman was re-elected president; Dr. J. A. Singmaster, first vice president and Dr. Herbert C. Alleman, second vice president; Rev. W. C. Ney, secretary; Rev. J. H. Meyer, treasurer; Mrs. J. P. Reese, women's representative on the board.

Great Throng at Union Picnic: Perfect weather drew out the largest attendance at the Arendtsville Union picnic Wednesday it has had in the many years of its existence. It has become the largest gathering of its kind in northern Adams county. Union park, near the Conewago Narrows, was none too spacious for the hundreds of people who gathered there. Nearly 1,500 persons sat down to dinner and supper at the tables beneath the pine trees. A number of athletic contests mainly demonstrated the prowess of Alton Wierman, who carried off high honors. The band was there from Mt. Joy, not the least enjoyable feature of the day with the community singing in the evening under the direction of Luther Lady, who came back with his bride for the occasion.

Reserves Close Instruction Camp: Forty members of the Sons of Veterans Reserves, of Gettysburg, will return home Monday after spending 10 days at a maneuver and instruction camp at Diehl's dam, along the Conewago creek, about one mile west of New Oxford.

The camp was opened August 5 with appropriate exercises and named "Camp Roth" in honor of G. Harry Roth, York street, one of the active members of the local Sons of Veterans' lodge. Dr. Henry Stewart, of Gettysburg, is the division commander of the Reserves in this state, on whose rolls are more than 6,000 members.

Hospital Report: For the first time in the history of the Annie Warner hospital a Caesarean operation was performed there Friday afternoon. It proved successful. A daughter was born to Mr. and Mrs. Roger Sterner, of McSherrystown.

Penrose Clerk Dead: Washington, Aug. 9—William B. Stewart, assistant clerk of the Senate Finance committee, died suddenly yesterday at his home.

COMPANIONSHIP

I wonder if we gain the full wealth and richness of genuine companionship. A delightful companion—how rare a find! Someone in whom you find a complement to yourself, and one into whose mind and heart you may delve and stroll, without fear and with satisfaction.

More than anything else marriage is the celebration of companionship. It is the companionship of business associations that counts far more than any material gains that may accrue. It is the companionship of a game, or a journey, or of a long friendship, that makes human contact so precious and enduring.

In nature it is the companionship of all about one that endears one so to Mother Earth. There is silent and vocal friendliness all about one. At early morn, these days, I note groups of small birds hopping among the grasses and among the pines—scores of them—and as I note their busy and happy maneuverings, I think of the unity of interests that are both theirs and mine. It's our world, and we are just put to different jobs but there are cords of companionship between us.

Many of our habits are acquired, not because we have taken special interest in their development, but because we craved, or hungered, after companionship, and the habit afforded a frail substitute—or so we may have imagined. Many people have taken up smoking for no other reason. But I doubt that it ever has satisfied, or appeased that higher hunger—the hunger of the soul. We have to have someone about us who is most understanding to gain that.

Probably no other animal in the world has such a hold on human affection as does the dog. But it's his companionship that makes him so beloved. Obedient, faithful, even unto death—no silent friend has ever touched the human heart as has this animal. He is lost without his master. How fully we should try to repay such devotion and loyalty. We shrivel, and actually dry up, without companionship of some sort. It may be no more than the companionship of books—and we must never forget that books once were men—to which we may be wed, but this companionship alone has helped to make this world, and millions of people in it, happier and more content.

I once overheard a remark from a group of men who had just come in off the golf field. One man said: "Next to winning a game yourself, is to lose to a delightful companion!"

Tomorrow Mr. Adams will talk on the subject: "Always Expect the Best."

LOVE AFFAIR

It's rather nice, I must confess—
When you're a weather-beaten
chap—

To have a bit of loveliness
Insist on sitting on your lap.

Let spinster prudes think what they
will
And tales of gossip scandalous be,
I find it an exquisite thrill
To hold a lady on my knee.

"There's none so foolish as the old!"
How many times has that been
said!

But must an old man's blood grow
cold
Before the time he joins the dead?

A grandpa knows no greater bliss,
No sweeter fount of joy to tap
Than this: a six-year-old to kiss
And hold awhile upon his lap.

News Of Interest To Upper Communities Of County

GRID OUTLOOK VERY GOOD AT BIGLERVILLE HI

Biglerville high school's 1947 football team should prove the most successful in the school's history.

One reason given by Athletic Director Arthur M. Gordon and Coach Gene Haas is that this year for the first time it will not be Biglerville alone but the Upper Adams county joint school district high school that will be facing its opponents.

That means those who face Biglerville will be facing not only the Biglerville lads but the Arendtsville team as well. There are 11 lettermen scheduled to return this fall from Biglerville's last year team and possibly ten lettermen in other spots returning from Arendtsville and the result should be a very good start on this fall's eleven.

Big Boys Back

Among the candidates for places on the squad this year will be:

Bill Welker, 170-pound senior, is a regular end left from last year. Owen Coble and Percy Bohrer, both veteran flankers, were graduated, but a boy who seems ready to step into a starting position on one terminal is Bob Breighner, a senior who just missed his letter last year.

The opposition's off-tackle plays again will be well taken care of by 225-pound Bob Weikert, a junior, and 220-pound Jim Pitzer, a senior, the regular tackles last year. Among

the reserve tackles are Harold Hollabaugh, one of the sophomore twins who nearly won their letters last year.

Starting Guards Back

Charlie House, 165-pound senior, and Cliff Rice, a junior, who weighs 160, once again will be the starting guards. There are four other strong candidates for these positions. Don Hollabaugh, Dick Unger, Guy Crist and Jim Unger. All are sophomores.

The loss of Ed Weigle at center will be felt keenly, but Haas is figuring on shifting one of his other linemen to the middle of the line or bringing up one of the sophomores who played on the junior varsity last fall.

Despite the loss of three lettermen, the backfield outlook is bright. Quarterback Dick Bucher was graduated but Dick did little playing last year for he was seriously injured in the Lower Paxton game. Earl Rexroth and Danny Ebbert, the latter a returned GI, received their diplomas. Ebbert's loss particularly will be serious for he was a big boy with a lot of drive and great blocking ability.

Heller Brothers Back

But three starters are back, Ebbert having been the other boy in there at opening whistle.

Clark Heller, 160-pound full-back who won two letters as a freshman, will be back better than ever as a sophomore. He is one of the most promising athletes Biglerville has had in recent years. The regular halfbacks are also back. Clark's brother, Marty Heller, a junior, who weighs 145, and George Weaver, also a junior at 160 pounds. Marty does most of the passing, while Clark is the chief punter and also a passer

of fair ability. There are three other lettermen in the backfield, all virtually as good as the starters. Lee Reinecker is a hard-running 145-pound junior, and Mervin Kime and Ronald Grimm, also both juniors, are strong candidates for starting positions.

In fact, backfield material is so plentiful Haas scarcely knows what to do with it. Carl Rose, a junior, played considerably last year and was rated as "very promising," while a likely sophomore is Clyde Naylor.

Season Starts Sept. 18

Other line candidates, not counting the new boys from Arendtsville, include Charles Cook, Albert Clark and Charles Tyson, juniors; George

Slaybaugh and Dick Warner, sophomores.

With new bleachers that will seat more than 2000 and new band uniforms, Biglerville launches its schedule on September 18.

The schedule:

Sept. 18, St. Francis Prep, of Spring Grove, home; 25, Boiling Springs, home; Oct. 4, Red Lion, away; 10, Ephrata, away; 17, West York, away; 23, Quincy, home; 31, Lower Paxton, away; Nov. 6, Columbia, home; 14, Elizabethtown, home; St. Francis, Quincy and Columbia are new opponents, replacing Camp Hill, Susquehanna Township and Enola.

The Junior Varsity schedule is:

Committed To Jail In Bank Robbery

Lewistown, Pa., Aug. 13 (P)—William Fox, 55-year-old horse trader,

this fall was released today as: October 8, Gettysburg at home; October 16, Hanover at home; October 22, Waynesboro Junior high school at home; October 29, open; November 7, Har Saini Religious school, Baltimore, at home; November 12, Scotland Industrial school, away.

has been committed to jail in \$10,000 bail after waiving a preliminary hearing before U. S. Commissioner Andrew A. Leiser, Jr., on charges that he held up and robbed the Beaver Springs, Pa., First National bank of \$7,324 August 11.

State police said Fox was seized as his car crashed into a tree ten miles from the scene of the robbery and near a roadblock set up after the alarm had been sounded.

Interesting News Of Upper Adams Countians And Their Enterprises

'WORKSHOP' AT BIGLERVILLE TO POINT NEW WAY

Seventy Adams county school teachers meeting at Biglerville this week are seeking to find out how to do a better job when school opens this fall.

At the same time their findings on how to do a better job of teaching will probably become part of the new curriculum being devised for Pennsylvania's grade school pupils. The findings of the teachers at Biglerville will become part of recommendations from counties throughout the state. Next year the teachers throughout the state will thresh over the recommendations once more to cut out the chaff and leave only the grain for recommendation to the state's schools.

To do a better job of coaching each other in better ways of teaching, the teachers have divided into a number of committees to think over such things as the "History of Industrial Development in Adams County," "Farm Animals," "Early Colonial Life," "The Indians of the U. S." and the like.

Call In Experts
Even the principals of the elementary schools are reevaluating their work with one committee studying "The Function of the Elementary Principal."

Working under the direction of Miss Ruth Harley of Shippensburg State Teachers' college the teachers are calling in the experts to outline their ideas, but are concerned mostly with finding out what works best in their finding out what works best adopt the best to be found in each others' experience.

All told, that experience in teaching, if added together, would total more years than the free school system has been in existence in Pennsylvania.

Included in the group studying "Building the Program for the Elementary School" are Frances Crouse, chairman; Jessie Crouse, Alma Henry, Ruthetta Sheads, Verna Stock, Margaret Kepner and Frank E. Baschior.

Studying "Health-Nutrition-Safety Factors" are Mrs. Elizabeth S. Rider, chairman; Beulah Wentz and Mrs. Hilda Diehl.

Principals' Functions
Taking up "the function of the elementary principal" are F. Francis Coulson, chairman; Clair Lester Bricker, Lewis M. Bosserman, John H. Riley, Frank E. Baschior, Ray J. Sponseller, Harry S. Brown and Edgar J. Dillon.

Primary youngsters in an agricultural community are going to learn more about the animals they will be working with during their after school hours, judging by the project that is interesting the primary

teachers at the Biglerville "workshop." "Farm Animals" is the title for the primary teachers committee studying unit organization in social studies. Included on that committee are Mrs. Ruth Gentzler, chairman; Mrs. Mildred Hildebrand, Grace E. Kane, Mrs. Glenna S. Fisel, Mrs. Eva G. Smith, Mrs. Mildred Weidner, Mildred C. Bushey, Marie K. Geisler, Dorothy L. Sternat, Mrs. Marian M. Milhimes, June R. Bigham and Mrs. Esta S. Fidler.

Indians and Colonial Life
Alma Miller is general chairman of the three groups in the middle grades who are studying various phases of the same subject, unit organization in social studies. The fourth year group headed by Madeline L. Ehlman, as chairman, is studying "The Indians of the U. S.," and as a result will probably be able to give Adams county children this fall a better understanding of how the Indian established his culture in the U. S. and how he traveled through Adams county. On that committee in addition to the chairman are Alma Miller, Myrtle R. Manthey and Ruth Sponseller.

The fifth year group which includes Jeanne S. Walsh, chairman; Helen R. Hantz, Vera A. Stanner, Elsie B. Wolf and Eva P. Sentz is studying "Early Colonial Life." A sixth year group including Lolita Charles, chairman; Margaret Franquist, Essa Wentz and Maude Walters is studying "Switzerland" in order to give their pupils next year a better course in geography and in history.

County History
The teachers in the upper grades are also studying two other subjects—one the history of the county's industrial development in order to bring the education of the youngsters in such things as the industrial revolution, American history, and geography, sociology and related courses into the understandable form of—"this is what happened here, in your own backyard to your parents, grandparents, great grandparents, and to yourself."

Another group is studying the teaching of reading. On the history committee are Mrs. Gladys Rebert, chairman; Lou Etta Sharetts, Alma L. Cluck, Mary E. Elder, Miriam R. Stover, Ruth L. Kump, Mary G. Trout and Maud M. Pensyl. On the reading committee are Mrs. Cath-

BIG PRIZE LIST FOR FARM SHOW

Attracted by the largest amount of premium money ever offered at a Pennsylvania State Farm Show, farmers of the state will send thousands of competitive exhibits to the 1948 event to be held in Harrisburg next January 12 to 16, inclusive.

According to an announcement by the State Farm Show commission, the 1948 Farm Show premiums total \$44,599 compared with the \$43,451 originally offered for the 1947 show, and reduced when the poultry exhibits were barred to prevent spread of Newcastle disease.

A record total of 8,947 cash premiums will be offered for exhibit place winners at the 1948 Farm Show. Commission Chairman Miles Horst declared: This is an increase of 327 over the last show, he said.

In the offering of cash premium awards for the coming show, the largest single amount will go to the exhibitors of dairy cattle, \$10,423. Winners in the open classes will be awarded \$8,605, the 4-H club entries will compete for \$1,550 in awards, and the vocational classes will be offered \$268. Other departmental premium totals are as follows:

Horses, \$3,450; sheep, \$3,272; swine, \$2,785; beef cattle, \$6,018, including \$3,870 in the open classes and \$2,148 in 4-H classes; dairy products, \$202; corn, \$538; small grains, \$282; potatoes, \$502; tobacco, \$290; apples, \$1,739; edible nuts, \$65; vegetables, \$556.50; maple products, \$185; apary products, \$638.50; wool, \$190; eggs, \$58; poultry, \$8,650; dressed turkeys,

arife T. Smith, chairman; Mrs. Laura Hoy, Martha Miller Small, Myrtle Forry Kauffman, Dessa D. Herring, Geraldine B. Redding, Sarah H. Staub, Mary A. Steinberger, Gertrude M. Orndorff, Blanche Mummert, Mrs. Dorothy E. Sprigg, Mrs. Esther Salt Grimes, L. Burnelle Deardorff, M. Esther Altland, Ruth A. Humbert, Minnie V. Orndorff, Barbara Steick, Mrs. Pearl E. BIG CORN CROP SEEN IN STATE

Harrisburg, Aug. 13 (AP)—Estimates for Pennsylvania's 1947 corn crop were advanced by nearly 3,000,000 bushels Tuesday over July 1 indications in contrast to the seared crops of the midwest.

State Agriculture Secretary Miles Horst said an official federal-state survey indicated a production of 58,136,000 bushels of corn in the Keystone state this year, compared to a July 1 estimate of 55,432,000.

"This is most encouraging to farmers and consumers, for the more corn we grow in Pennsylvania the better we can produce the meat, milk and eggs that are so greatly in demand," Horst said in a statement.

The new estimate, Horst added, is nearly 4,000,000 bushels higher than the 10-year average of 1936-45. Meanwhile, the secretary reported a favorable outlook for other grain crops, including oats, barley, rye and buckwheat.

Conference For Turkey Growers

In response to requests from turkey growers throughout the state, the poultry department of the Pennsylvania State college has scheduled a turkey management conference August 20 and 21 at the college, with an annual event.

Range management, with some emphasis on soils and pasture problems, will feature the two-day program which includes a dinner meeting the first night, F. H. Leuschner, extension poultry specialist, presiding. E. W. Callenbach, department head, and P. H. Margolf, staff member, are in charge of the program.

FARM CALENDAR

Drench Ewes and Lambs—Most sheep men make a routine practice of drenching their ewes spring and fall with phenothiazine for control of internal parasites, but lambs need a drench during late summer, too, says William B. Connell, extension livestock specialist of the Pennsylvania State college.

Save More Pigs—Extra care of brood sows at farrowing time pays off by saving more pigs, and only those which grow up and go to market mean cash to the grower and more meat, points out L. C. Madison, extension livestock specialist of the Pennsylvania State college.

Still Time to Plant—Endive, kale, and Chinese cabbage may be seeded in mid-August for late crops, while spinach, lettuce, and early-maturing radishes can go in as late as September 1, say extension vegetable specialists of the Pennsylvania State college.

Select Good Pullets—In selecting pullets for egg production, pick those with good coloring, sleek plum-

age, and complete feather growth, advise Penn State extension poultry specialists.

Control Anthracnose—Removing and burning diseased canes and using a lime-sulphur spray on clean growth will give good control of anthracnose on black raspberries, says extension plant pathologists.

Leaf Hoppers at Work—Leaf hoppers and tarnished plant bugs, which sometimes cause severe injury to alfalfa and clover grown for seed production, can be controlled with DDT dust or spray, but Henry Menusan, Jr., extension entomologist of the Pennsylvania State college, adds the caution that since DDT is a poison any growth so treated must not be used for hay, or be eaten in any way

by livestock.

Mulch Saves Moisture—Mulch keeps the ground cool, controls weeds, and conserves moisture, and may be applied during early August to late-maturing vegetable crops in the garden, informs J. O. Dutt, extension vegetable specialist of the Pennsylvania State college.

Grapes Need Spray—Powdery mildew and brown rot on grapes can be

controlled by using bordeaux sprays, according to Allen H. Bauer, extension plant pathologist of the Pennsylvania State college.

Keep Fire from Shrubs—Ornamentals and other valuable trees can be damaged easily by careless burning of rubbish too near them, cautions A. O. Rasmussen, Penn State extension ornamental horticulturist.

CLARK PROBE IS LABELLED 'FANTASTIC'

Washington, Aug. 13 (AP)—Rep. Crawford (R-Mich.), a leading Congressional critic of OPA, today labeled as "fantastic" Attorney General Clark's order for an investigation into food, clothing and shelter prices.

The lawmaker said it appears to him to be aimed at bringing about a depression at home to help foreign nations buy more goods here. He added that Clark ought to turn his attention to the administration's fiscal policies which, Crawford contended, are the cause of high prices.

The National Federation of Small Business announced meanwhile that Clark's program is in line with what that organization has been urging since last spring.

Justice Dept. Silent
George J. Burger, the federation's Washington representative, told newsmen member reports indicate particular concern over "growing economic concentration in distribution businesses."

The Justice department itself was silent on what leads, if any, it may have uncovered to prompt Clark's promise of jail terms for anyone found guilty of "conspiracies" to force prices up and keep them there. New York spokesmen for the three industry groups cited said their records are clear.

Most Congress members still in Washington adopted an attitude of waiting to see what their own committees find out during a series of cross country studies this summer and fall.

Egypt Opposed To Going Before Court

Lake Success, Aug. 13 (AP)—Egypt is opposed to putting her case against Britain before the International Court of Justice at The Hague, an authoritative source declared today. This view was expressed as the United Nations Security Council gathered for the third airing (at 3 p.m. EDT) of the case in little more than a week.

Sir Alexander Cadogan, the British delegate, who so far has delivered two long speeches on Egypt, was ready with an answer to an Egyptian blast delivered on Monday.

Egypt has demanded repeatedly that the Security Council order the British to leave Egypt immediately and to terminate the joint British-Egyptian rule over the Sudan.

The British argue that Egypt signed a treaty covering these points which is good until 1956 and that the issue is whether any nation can break a treaty by appealing to the United Nations.

Hail Break In Steel Scrap Price

New York, Aug. 13 (AP)—A break in the price of steel scrap during the last week "led steelmakers to breathe a sigh of relief" at the apparent end of a rising trend, the Iron Age, national metalworking weekly, said today.

Declines in the price of heavy melting steel scrap in the nation's three major markets, Pittsburgh, Philadelphia and Chicago, were "not large," the Iron Age said but it noted that "except for a break extending from the middle of March to late May, this was the first time since the end of OPA that zooming scrap prices have been definitely turned downward."

The Iron Age steel scrap composite, which is the average of delivered prices of heavy melting steel scrap at the three cities, dropped \$1.25 for the week to \$40.42.

LORDS TO KEEP EYE ON ATTLEE

London, Aug. 13 (AP)—Conservative members of the House of Lords rallied behind a motion for a special summer session to guard against abuse of the Labor government's new "crisis powers" as Parliament prepared to recess today after one of the most momentous sessions in its history.

While the House of Lords, sitting by itself, would have little control over any government action, the Marquess of Salisbury, Conservative leader, said he believed it should meet again in three weeks, if only to keep an eye on the situation.

"If the other House is not willing to take such a course, it is entirely their affair," he declared. "We in this House must regard ourselves as trustees of the British people."

Before acting on the motion for a summer meeting, the House of Lords was scheduled to consider possible amendments to legislation giving the government almost unlimited powers to deal with Britain's growing economic crisis.

The possibility appeared slight, however, that the lords would attempt any major modifications of the measure, which passed its second decisive reading by voice vote yesterday. If there are any amendments, the House of Commons, which gave the bill final approval yesterday, will be on hand to dispose of them.

State Awards Highway Jobs

UNDECIDED ON SIDE ISSUE IN HUGHES PROBE

Washington, Aug. 13 (AP)—Chairman Ferguson (R-Mich.) said today it will be up to his War Investigating subcommittee to decide whether to probe deeper into the "side issue" feud between Howard Hughes and Senator Brewster (R-Me.).

But Senator Pepper (D-Fla.) declared that in his view the next step, if there is one, will have to be taken either by the full Senate or the Justice department.

The two ranking members of the subcommittee outlined their opinions in separate interviews as the Customs Bureau stepped into the picture in an effort to make certain that the main Hughes inquiry can get underway again November 17.

Look For Meyer
Frank Dow, acting Commissioner of Customs, notified collectors at all ports yesterday to stop John W. Meyer, Hughes' free-spending publicity man, if he tries to leave the country.

Meyer's unexplained absence last Saturday after an earlier committee subpoena for him expired was one of the reasons Ferguson cited for ordering a postponement in the two week old investigation into Hughes' \$40,000,000 worth of wartime airplane contracts.

Meyer originally flew here from Paris to testify about his party-throwing activities in behalf of Hughes. But Dow, in issuing his order to customs collectors to seize the portly contract man's passport if he shows up, emphasized he had no knowledge that Meyer might be headed abroad.

"Just a precautionary measure," was the way he described it. Meyer was reported to have been in New York yesterday.

Globe Circlers Land In Greenland

New York, Aug. 13 (AP)—Two former army pilots who are circling the globe in two light planes, with time no object, landed last night in Greenland and plan to take off today for Iceland. William Strohmeyer, flight manager, said early today.

Clifford V. Evans, 26, of Washington, D. C., and George Truman, 39, of Los Angeles, messaged Strohmeyer they had landed safely at Blue West One airport, about 40 miles from Juliannehaab, capital of Greenland. Evans landed at 8:28 P. M. (EDT) and Truman two minutes later. They had left Goose Bay, Labrador, shortly after noon yesterday.

Tune in on TOMORROW!

GM GENERAL MOTORS HYDRA-MATIC DRIVE

The "drive" of tomorrow is here today! . . . as ultra-modern as television, and with nearly 8 years of PROOF behind it!

It's in the picture for the future—and Oldsmobile brings it to you today! Just as television is the big news in the field of electronics, automatic transmissions are the number-one topic of conversation in the automobile industry. Some day . . . nobody will shift gears . . . nobody will push a clutch. But today . . . only Hydra-Matic Drive provides fully automatic shifting! Only Hydra-Matic Drive eliminates the clutch pedal entirely!

What's more . . . Hydra-Matic Drive was introduced by Oldsmobile nearly 8 years ago! Since that time it has been proved in the hands of nearly 400,000 Oldsmobile owners—proved in literally billions of miles of driving—even proved in combat use on Army tanks!

Today, the lowest-priced car to offer GM Hydra-Matic Drive* is the smart new Oldsmobile—away out ahead automatically—away out ahead in appearance, too. Owners know Oldsmobile is always in tune with tomorrow. They expect Oldsmobile to come out first with the really important advancements like Hydra-Matic Drive. That's why so many future-minded people say, "It's SMART to Own an Olds!"

Lightning Kills Two Ball Players

Pennsburg, Pa., Aug. 13 (AP)—A bolt of lightning killed two semi-professional baseball players and stunned five others during a game being watched by 100 spectators.

Norman Eschbach, 19-year-old centerfielder of the Pennsburg team, died last night shortly after being taken to a hospital in Sellersville, Pa., and Stanford Buck, 23-year-old Pennsburg leftfielder, succumbed at Allentown hospital.

Laverne Schwenk, 21, third base coach for the Red Hill, Pa., team, was felled by the bolt and was taken to his home where further examination was ordered to determine the extent of his injuries. None of the others felled was believed seriously hurt.

TROUBLE SHOOTER

BY CAMERON DOCKERY

Chapter 11

Hardin led the way from the dance hall to a cleared area beside Olaf's store. The yard was used as a parking place and the ground had been packed solid by trucks and the constant passing of feet; to one side of it cord wood was stacked for the dance hall fireplace. The whole was faintly illuminated by the red neon sign saying OLAF'S in big letters.

The two men were fairly evenly matched. The same height—six feet—with Hardin being the heavier build. But Hardin had too much to drink and he swayed slightly as he took up a position and glared invitingly at Doug.

Here and there smoothed-off rocks thrust through the ground, their surfaces wet and glistening from evening damp. Doug advanced on Hardin slowly, making sure of his footing with each step.

A hush settled over the crowd. Staring eyes and the orange glow of cigarette tips formed a glimmering circle. Norway's bulk loomed large against the shaft of light streaming from the entrance, but Doug didn't see him. He continued to move forward, fighting the fight to Hardin, hoping to get it over quickly. The boss logger didn't stir, his small eyes were in darkness, his face, stoney.

And then he lunged. . . He swung at Doug suddenly, bringing his right up to crash into Doug's jaw; but Doug, anticipating the exact move, ducked and sent his own fist into a swift uppercut. Hardin dodged and the blow landed beneath his ear and glanced off.

But it stung enough to bring a grunt of surprise and fury from him. He closed in, grabbing at Doug, one hand reaching to hold him while the other pounded at his face. Doug struck again. This time he hit Hardin's chest, throwing the boss logger off balance and sending him reeling against the stacked wood. There were murmurs of approval as Hardin groaned then used the woodpile to catapult himself forward. The two met head on, raining blows at each other. Doug felt the salt taste of blood on his lips and saw that Hardin's left eye had closed tight.

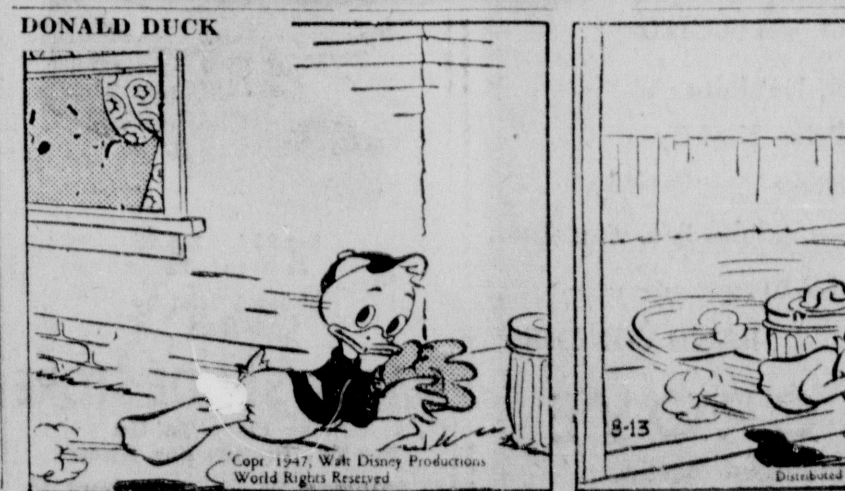

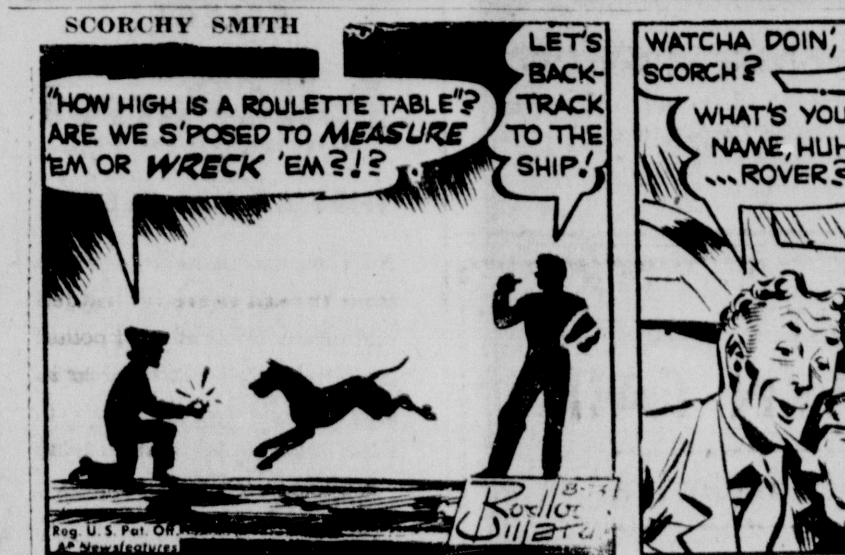

Each time they met the heavy whiskey odor of Hardin's breath surrounded them. He was drunk but not so drunk that he wasn't able to figure and to place his blows strategically. But the fight was too even. They locked together in a wrestler's grip then separated to swing at each other.

Doug felt tired. The week of unaccustomed ax-swinging was beginning to tell on him now. His breath came in great sobbing gasps and his hands felt like hot poker had seared them. Hardin, in spite of his bruised face, seemed not to feel the wear of the fight. If anything the fresh cold air was sobering him and giving him a new strength. But between the effects of the whiskey and his swollen eye, his vision was blurred.

He lunged at Doug again, missing his jaw and hitting his shoulder and spinning Doug around. Doug swore softly. He waited for an opening. Hardin lifted his guard for a minute and Doug stepped in swinging.

Suddenly his feet shot out from under him. He felt himself falling then something like the butt of an ax struck him from behind and the red-lighted yard burst into a great flare of light then was obliterated by a black, swiftly-descending curtain.

Doug awoke to a throbbing pain

GUARD UNITS OUT ON RANGE

Indiantown Gap, Pa., Aug. 13 (AP)—The crackling of fire arms echoed over this huge military reservation today as the Pennsylvania National Guard opened small arms practice on the firing ranges.

As the third day of the Guard's first postwar encampment swung into action, the men of the 109th Infantry, stationed at Scranton, began a four-day firing course in M-1 rifle, carbine, sub-machine gun and pistol.

The instructors for the various training phases are battle-experienced veterans who travel through the various outfits in teams.

Col. D. S. Rumbough, of the war department's National Guard Bureau, completed a 24-hour tour of inspection yesterday and declared the encampment the largest in the nation in varied field training.

Show Improvement
Brig. Gen. Charles C. Curtis, camp commander, said yesterday's training showed a "decided improvement" over the program of the day previous when the encampment got underway.

"I was impressed particularly by the training in individual tactics and security," General Curtis said. "That has been the best of all so far."

Curtis added that the training system now being undertaken by the encampment "is rated excellent by the officers and men attending classes."

Senator Edward Martin, former governor of Pennsylvania, and commander of the guard, is expected to arrive tonight for a week's stay at the encampment.

Poultry Conference Set For October 20-23

The 25th annual Poultry conference at the Pennsylvania State college, embracing the annual meeting of the Pennsylvania Poultry Federation, will be held October 20 to 23, with the final day devoted to turkeys, announces E. W. Callenbach, head of the college poultry department.

After a day and a half devoted to basic studies, subjects of general interest will be considered. Visiting speakers will include L. B. Darrah, poultry farm management specialist of Cornell university; W. M. Insko, Jr., head of the poultry department at the University of Kentucky; and Percy S. White, commercial poultryman, of Wooster, Ohio.

Management and marketing problems will highlight discussions for turkey growers. Both men and women will attend all sessions.

District Attorney Gets Fraud Cases

Philadelphia, Aug. 13 (AP)—State officials have turned over to the Philadelphia district attorney's office evidence gathered in the state's investigation of alleged frauds in the Pennsylvania Workmen's Insurance fund.

Attorney General T. McKeen Chidsey, after a two-hour conference yesterday with Assistant Attorney Franklin E. Barr, announced: "We discussed and turned over to Mr. Barr the evidence we already had gathered. He will continue the investigation and prepare the case for presentation to the grand jury."

The governor's office disclosed last week that the commonwealth had been "defrauded" of at least \$10,000 through "irregularities" in the fund. Two Philadelphia adjusters resigned and two others were suspended, the Governor said.

News Briefs

Lahore, India, Aug. 13 (AP)—Half a dozen fires blazed in this ancient Punjab capital Tuesday as troops patrolled the streets in tanks and heavily-armed trucks after 24 hours of communal rioting which left 35 dead and 60 wounded.

Authorities feared new outbreaks of violence momentarily as tension mounted in anticipation of the Punjab boundary commission's decision dividing the Punjab between the Hindu state of India and the Moslem state of Pakistan.

Kodiak, Alaska, Aug. 13 (AP)—Nine crewmen and passengers, swept from the wreckage of their crashed army PBV flying boat into the icy waters of the Bering Sea where survival is a matter of minutes, were rescued by a lifeboat from a navy cargo vessel, the 17th Naval District reported Tuesday.

The big plane flooded quickly when the bombardier's plexiglass nose window crumpled during an emergency landing. None suffered more than minor exposure.

Rio de Janeiro, Aug. 13 (AP)—Optimism pervaded delegations arriving here today for an inter-American conference of foreign ministers which, beginning Friday, will seek to draft a historic treaty of mutual defense for the nations of the western hemisphere.

Some delegations sources, predicting swift success for the long-delayed meeting, expressed the opinion that it would bolster the United Nations and provide a "model bulwark for world peace."

London, Aug. 13 (AP)—The Moscow radio broadcast a Pravda dispatch from Paris Tuesday saying that Italian-American negotiators had agreed upon a "friendship, trade and navigation treaty" that would
